Hi Jason. I'm attaching the word version of the EPR draft of the Supplemental Information (where the response to public comments can be found).

Enjoy!

Kathleen

Hello Kathleen,

Could you send me a .docx version of the B(a)P response to public comments appendix from the external peer review draft? There's a .pdf on the web, but a word file would be more useful for us (for *tert*-butanol).

Thanks!

Jason
